

Introduction

The Governors of West Sussex Alternative Provision College regards the schools buildings and grounds as a community asset and will make every reasonable effort to enable them to be used as much as possible. However, the overriding aim of the college is to support the school in providing the best possible education for its young people, and any lettings of the premises to outside agencies / organisations will be considered with this in mind.

The school's delegated budget (which is provided for the education of its pupils) will not be used to subsidise any lettings by community or commercial organisations. A charge will be levied to meet the additional costs incurred by the school in respect of any lettings of the premises. As a minimum, the actual cost to the school of any use of the premises by an outside organisation must be reimbursed to the school's budget.

Definition of a Letting

A letting may be defined as "any use of the school premises (buildings and grounds) by either a community group or commercial organisation. A letting must not interfere with the primary activity of the school, which is to provide a high standard of education for all its pupils.

Types of Lettings

Single lettings are those where an individual or organisation wishes to hire facilities on a one off basis, these lettings should still be subject to a formal lettings agreement and follow the same principles as a continuous letting. Continuous lettings are those that run for a number of weeks or terms.

Hirers Agreement

All lettings (even those where no charge is made) must be subject to a conditions of hire agreement (Annex A), this will detail the terms of the letting and must be signed by both the school and the hirer. A letting should only be confirmed as accepted when a signed agreement is in place. Any amendments to an agreement will require a new agreement form to be signed.

Terms of Agreements (Charges and Insurance)

The Governing Body is responsible for setting charges for the letting of the school premises and adopts the standard charge for the use of school premises by West Sussex Education 2017 (Annex B). The charges cover the following:

- ✦ Cost of services (heating and lighting);

- ✦ Cost of staffing (additional security, caretaking and cleaning) - including "on-costs";
- ✦ Cost of administration;
- ✦ Cost of "wear and tear";
- ✦ Cost of use of school equipment (if applicable);
- ✦ Profit element (if appropriate).

Where there are multiple lettings taking place at the same time, the costs for services and staffing will normally be shared between the organisations involved.

When the school is being used for election purposes a Let Form will still need to be completed, but no charge will be made as PCC will reimburse the school with a token payment to cover the utility charges. (Annex C)

Non-commercial hirers who have no existing Public Liability Insurance with a preferred minimum limit of indemnity of £10 million, (although £5 million may be acceptable subject to approval) must as a condition of the proposed hiring, take out the Hirer's Insurance arranged by West Sussex County Council. The premium is charged at 9% of the basic hire charge, plus 12% Insurance Premium Tax (IPT).

Management and Administration of Lettings

The Headteacher is responsible for the management of lettings, in accordance with this Policy. Where appropriate, the Headteacher may delegate all or part of this responsibility to other members of staff, whilst still retaining overall responsibility for the lettings process.

If the Headteacher has any concern about whether a particular request for a letting is appropriate or not, they will consult with the Governing Body.

The Administrative Process

Organisations seeking to hire the school premises should approach the Assistant Business Manager Premises and Estates (or other designated member of staff), who will identify their requirements and clarify the facilities available. A Booking Form for School Lettings (Annex D) should be completed at this stage. The starting and finishing times on the booking form should be such, to allow time for any setting up and clearing up respectively. The Headteacher / Governing Body has the right to refuse an application, and no letting should be regarded as "booked" until approval has been given in writing.

No public announcement of any activity or function taking place should be made by the organisation concerned until the booking has been formally confirmed.

Once a letting has been approved, confirmation will be sent to the hirer, setting out full details of the letting and enclosing a copy of the terms and conditions and the hire agreement.

The letting should not take place until the signed agreement has been returned to the school. The person applying to hire the premises will be invoiced for the cost of the letting, in accordance with the West Sussex standard charges for the use of School Premises 2017.

The hirer should be a named individual and the agreement should be in their name, giving their permanent private address. This avoids any slight risk that the letting might be held to be a business tenancy, which would give the hirer security of tenure.

All lettings fees which are received by the school will be paid into the school's individual bank account, in order to offset the costs of services, staffing etc (which are funded from the school's delegated budget). Income and expenditure associated with lettings will be regularly monitored to ensure that at least a "break even" situation is being achieved.

An annual report on lettings will be made to the governing body and will include information on users, finances, incidents and accidents, enquiries and any lettings refused.
