

WSAPC Admissions Policy

(V6)

1. Introduction

- 1.1 This document sets out the admission arrangements for the West Sussex Alternative Provision College ('the WSAPC'). West Sussex County Council is the admission authority for the WSAPC.
- 1.2 West Sussex County Council has an admissions process which must be followed by any referring organisation before a pupil can be enrolled at the WSAPC.
- 1.3 West Sussex County Council operates a fair, objective and transparent admissions process.

2. Admission Arrangements

- 2.1 Pupils of compulsory school age can only be admitted to the WSAPC by being referred by local authorities, schools and academies. The referral must be made to West Sussex County Council as the admission authority.
- 2.2 This means that the arrangements for admission differ from other maintained schools in West Sussex.
- 2.3 All admissions are made via a referral process. Each pupil will be assessed individually by West Sussex County Council to ensure that a place in the WSAPC is both appropriate and in their best interests.
- 2.4 The table below sets out the majority of circumstances under which a referral may be made (the list is indicative only):

- 2.5 The number of places available in the WSAPC is 292. These places currently exist across 7 facilities, situated in the more densely populated areas of the County, and combined can meet the needs of boys and girls aged 5 to 16 who are either permanently excluded or at risk thereof, suffering extended periods of sickness or, for medical reasons, are unable to attend school.
- 2.6 The WSAPC aims to provide flexibility in places and therefore the numbers admitted in specific locations and key stages is subject to change. Pupils may be accepted into relevant year groups depending on demand. However, it is intended that the total number of places available at any one time is 292.
- 2.7 There must be exceptional circumstances for a greater number than 292 pupils to be admitted.
- 2.8 Places will be reviewed by West Sussex County Council in conjunction with WSAPC at agreed intervals, in line with good practice and statutory guidance.

3 Oversubscription Criteria

- 3.1 Places which are requested for pupils will be prioritised using the following criteria:
