FGB present: Bob Smytherman (BS), Doug Thomas (DT), Richard Anderson (RA), Katherine Lock (KL), Sue McMeeking (SM), Gina Webb (GW), Tess Eastmead (TE)

Associate Members present: Sam Channon (SJC), School Business Manager, Helen Ellis (HE), Ben Thomas (BT) Clerk to the Governing Body: Louisa Rydon (LR)

	MINUTES	
1)	Welcome and apologies	
	Apologies were received from Fi Young. Ian Straw, Bridie Garnham and Jodie	
	Janes did not attend the meeting.	
2)	Declaration of interests	
	BS: Chair of Governors, St Mary's Primary School, Worthing	
3)	Governor terms of office.	
	Governors had recommended BS for a third term of office as LA governor and the	l D
	paperwork had been sent to WSCC. To ensure BS was on the governing body,	LR 24/9/21
	the governors unanimously voted to co-opt him onto the board. LR to inform	24///21
	Governor Services.	
4)	Election of Chair	
	LR carried out the election and BS was duly appointed as chair of governors until	
	the first full meeting of the September term 2022.	
5)	Election of Vice Chair	
	Fi Young had confirmed she was happy to continue as vice chair and was duly	
-	elected to the position until the first full meeting of the September term 2022.	
6)	Notice of AOB	
7)	None.	
7)	Headteacher's report Governors had received the headteacher's report and thanked the leadership	
	team for a valuable overview of how WSAPC had performed during the	
	challenges of the pandemic. They particularly commented on the attendance	
	and reintegration figures.	
	Attendance	
	The attendance figures were higher than the national average despite the	
	decision to keep year 11 on roll until 31/8/21. Governors fully supported keeping	
	year 11s on roll which had allowed staff to give pupils the help and guidance	
	needed.	
	Data and attainment	
	Governors discussed the discrepancies in the data between centres and	
	appreciated their different strengths. They applauded the aspiration of all centres	
	to work together to share areas of expertise. BT reported on the leadership roles	
	subject leads had taken on learning with the aim of driving consistency across the	
	centres. Governors also noted the challenges with behaviour during lockdown	
	and were pleased to learn of the targeted support as lockdown eased.	
	BS had had a successful visit to Lancing and had been impressed with the positive	
	engagement between pupils and staff.	
	Reintegration	
	Reintegration rates had improved in 2021/21 and governors were aware of the	
	hard work and dedication of staff to bring this about. They agreed they could	
	measure the success of reintegration in the number of pupils who did not come	
	back to WSAPC. It was felt the college's reputation amongst headteachers was	
	improving and governors discussed ways of celebrating the achievements. SJC	BT/HE
	suggested individual case studies with pupils who had successfully reintegrated	6/12/21
	talking about their experience. BT/HE to discuss.	
	<u>Worthing/Northbrook</u>	

8)	Governors had heard rumours that Northbrook College planned to sell the Broadwater site. SJC/DT confirmed there was no definite news but it was likely there would be an impact on WSAPC with the strategic changes taking place. HE assured governors that the merger of Worthing and Lancing was positive for pupils and SJC reported on the benefits. Governors felt it would be positive to have the Worthing building if WSAPC became an academy.  Governor visits  Governors were invited to attend all centres not just the one allocated to them. Visits could easily be arranged by contacting DT.  BT to add Crawley date to HT report and resend to governors.  Progress against Governor Action Plan and Governors' strategic vision	All BT 25/9/21
	Governors had begun to implement the action plan worked on through the training from Shine Consulting. Governors agreed to study the plan and meet to progress it now the covid restrictions were easing.	BS
9)	Governance  a) Current Instrument Governors understood the current Instrument was within the legal framework and approved the current version. They noted the importance of having primary and secondary support on the governing body and DT would follow up with Ian Straw on his membership. Tess Eastmead reported on the work she was doing in primary and secondary sectors and governors were delighted to have her support in both areas.  b) Governor expenses procedure Governors were reminded they were able to claim for expenses.  c) Approval for code of conduct	DT 11/10/21
	Approved and signed by BS as chair on behalf of the governing body.  d) Declaration of pecuniary interests.  SJC confirmed all governors had completed the form in April. Governors were asked to return the form to LR if they had anything new to declare since April e) Completed skills audit  To be completed in advance of the next FGB. RA commented that the new benchmarking system made it easier to complete and a valuable document. f) Governor details on the website	All 6/12/21
	The 2020/21 document had been completed and was approved for upload onto the website. RA raised HE's and SJC's term of office as associate governors. They were unanimously re-appointed for a further 4 year term.  Governors who had not sent their photo and short biog for the website were asked to send them to LR.  g) Confirmation of governors' membership of committees and allocations (attached to agenda)	GW, TE, JJ
	BS asked for volunteers for the resources chair and SJC noted the importance of financial skills. After some discussion, LR was asked to approach FY about handing over chair of learning and standards to TE and taking on the resources committee. TE was concerned she did not have the right experience to become chair of learning and standards but governors were confident she would with their and the clerk's support.  TE volunteered to take on oversight of Inclusion and LR to approach Jodie Janes	LR 11/10/21
