

PE and Sports Premium Funding 2016/17 – Total Funding Received £8,085

Sport Premium is an amount of money allocated to schools to develop the quality and breadth of PE and Sport provision and increase pupil participation. The funding calculated on the number of pupils in key stage 1 & 2 (*pupils aged 5-10*) based on data submitted in the Schools January Census return.

At WSAPC, Primary PE Provision is delivered at our three primary centres across West Sussex. The Head of Centre have the responsibility for developing PE and Sport within the primary curriculum and deciding upon the effective use of Sport Premium Funding.

We welcome the additional funding, which will further enhance our PE provision and provide additional opportunities for increased participation.

The table below identifies how WSAPC allocated the funding for academic year 2016/17 and the impact on pupils accessing the provision.
