

WSAPC Anti- Bullying Policy

Principles:

The following principles underpin our work and help us achieve our aims:

- ✦ To offer a stable, secure and happy environment within which each pupil is known and valued as an individual and can, as a result, both relate to others and have a genuine concern for them;
- ✦ Sensible learning behaviour is always required. There is a Code of Conduct for learning behaviour at each centre and to enable pupils to develop an understanding of their responsibilities towards themselves and towards others.
- ✦ To respect differences of others always. Everyone is an equal member of our community

WSAPC provision looks for the support of parents/carers in helping to develop and maintain the highest possible standards in these and all aspects of its life.

We are committed to providing a caring, friendly and safe environment for all our pupils so that they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable in WSAPC. If bullying does occur, all pupils should be able to feel safe to tell and know that incidents will be dealt with promptly and effectively. We are a telling organisation. This means that anyone who knows that bullying is happening is expected to tell staff.

Why is it important to respond to bullying?

- 🔹 Bullying does sometimes occur and must be taken seriously
- 🔹 Bullying is destructive
- 🔹 Bullying interferes with education
- 🔹 Bullying affects everyone
- 🔹 Bullying hurts

No one deserves to be a victim of bullying. Everyone has the right to be treated with respect. Pupils who are bullying need to learn different ways of behaving and how their behaviour affects others. WSAPC has a responsibility to act promptly and effectively to issues of bullying.

This could be:

- 🔗 By word of mouth
- 🔗 By letter/note
- 🔗 By emailing the centre
- 🔗 By telephoning

Recording incidents:

All bullying incidents will be recorded on an Incident Form with the appropriate action taken clearly indicated.

Each incident will be recorded on our pupil tracking system.

Incidents of racism are reported on a termly basis to the Local Authority by the Head Teacher.

Sanctions:

Bullying incidents are dealt with using the same system as for other behaviours which are outlined in WSAPC Behaviour for Learning Policy using a staged approach

Continued low-level bullying over a period of time will be considered to be more serious and pupils will face increasingly severe sanctions in line with the WSAPC Behaviour for Learning Policy.

Very serious incidents will be dealt with by the Assistant Head teacher at the centre or the Centre Manager or in liaison with the Headteacher.

Monitoring

The Head of WSAPC will monitor the Anti-Bullying Policy in order to identify progress and enable follow-up. This will show whether the policy is effective.

Use of the pupil survey analyses and pupil review meetings will support this process.

Evaluation

Data from the pupil survey, monitoring and feedback, with staff, families, pupils and the Governing Body will be used to review and update the policy on an annual basis.
