

## Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

## Pupil entitlement

All pupils in years 8-13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

## Management of provider access requests

### Procedure

A provider wishing to request access should contact:

Ben Thomas, Deputy Head

Telephone: 01444 232771

Email: bthomas@wsapc.co.uk

### Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers. Throughout an academic year pupils will have contact with employers through the Enterprise Adviser Network and hear about apprenticeship opportunities through Education and Employers.

Please speak to our Careers Leader to identify the most suitable opportunity for you.

### Premises and facilities

The school will make classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the

activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.
