9)	<p>Review and approve 2021/22 budget SJC gave governors a presentation on the budget planning with 2021/22 being year 1 of the three year plan. Governors were aware of the change in the type of student coming to WSAPC over the past four years and the impact their needs had on budgeting. DT highlighted the importance of raising AP's profile with the DfE to lead to much needed investment. Staff were experts in their field and with continued training there was an opportunity to support other schools and be part of the inclusion strategy for WSCC and other areas. Governors appreciated the costs of an experienced staff and the need to have more clerical support with multi-sites. They carefully discussed the three year overview and applauded the planning behind making adjustments in year to reduce deficits for a balanced budget for years 2 & 3. RA noted the positive changes SJC had made to the Chalkhill budget following the 6/5/21 meeting. SJC believed the further necessary savings for year 2 and 3 were manageable and reported on some options. Governors thanked SJC for the clear presentation and approved the total budget share for WSAPC, 2021/22 of £6,577,779.24.</p>

The final three dates (November, January and two twilights for Team Teach) would be confirmed once providers had agreed a date. Governors approved five days and were invited to all Inset days. HE felt it would be beneficial for governors to attend the 1/9/21 where all staff would be at Burgess Hill for activities and safeguarding refresher training. FY commented on how enjoyable the training had been last year.</p>	All 1/9/21
13)	<p>Confidential Part II agenda item Nothing to report.</p>
